

Driven by expertise

Regulatory Affairs Manager/in (40 %)

About Sukano

Sukano is a world leader in the development and production of additive and color masterbatches and compounds for polyester and specialty resins. The company is driven by expertise – Sukano focuses its technical knowledge on developing innovative products and services for oil and bio-based polymers that can be used for applications such as thin and thick films, bottles and containers, fibers, filaments, and sheets. Headquartered in Switzerland, it is a family-owned business with a global distribution network and production facilities in Europe, the Middle-East & Africa, the Americas and Asia Pacific.

To strengthen our global R&D Team we are recruiting a **Regulatory Affairs Manager/in (40 %)**, operating from our Headquarter in Schindellegi, close to Zuerich.

Key responsibilities

- Evaluate product compliances for individual customer requirements
- Prepare, submit and maintain declarations of conformity
- Provide support during the whole life cycle of products in regulatory affairs of all Sukano products globally
- Compile product information for technical files and regulatory dossier to support product license applications
- Participate actively in product development projects to provide guidance on regulatory requirements
- Prepare and perform trainings for the development team
- Manage external compliance tests
- Maintain contact with external institutions for certifications, orders, tests
- Ensure any updates on regulation and directive changes
- Maintain and update documentation on raw materials

Requirements

- You are a graduated engineer in chemistry, material science (or similar)
- You possess several years of relevant work experience in a comparable position in the polymer or chemical industry
- You have experience and pleasure in getting familiar with legal documents by self-study
- You are proficient in spoken and written German and English
- You are able to work independently in a determined and self-motivated manner within a strong team
- You have a well-balanced “getting things done” personality who takes action with ambition, perspective and hands-on mentality.
